GETTING TO BUCKNELL

Bucknell is within a 3-4 hour drive of several major cities, including New York, Philadelphia, Baltimore, and Pittsburgh. Airports are located in Williamsport, 25 miles north of Lewisburg, and in Harrisburg, 65 miles south. The Susquehanna Trailways bus line serves the area.

Bucknell is located on U.S. Route 15, about seven miles south of Interstate 80.

**From the New York metropolitan area**-Take I-80 West to U.S. Route 15 and follow the directions above.

**From Philadelphia**-Take the Northeast Extension of the Pennsylvania Turnpike north to I-80; then I-80 West to U.S. Route 15.

**From Pittsburgh**-Take U.S. Route 22 East to PA Route 45 East. PA Route 45 intersects with U.S. Route 15 in Lewisburg. Take Route 15 South, and turn left at the next light to enter campus.

**From Baltimore**-Take I-83 North and pick up Route 15 North just south of Harrisburg. Bucknell is located approximately 60 miles north of Harrisburg.

**From Connecticut**-Take I-84 East into Pennsylvania, then pick up I-81 South near Scranton. Follow I-81 South to I-80 West, and take I-80 West to U.S. Route 15 South.

# WHAT IT MEANS TO BE A BISON

... THE PURSUIT OF ATHLETICS IN COLLEGE  
NEED NOT INTERFERE WITH A FELLOW'S STUD-  
IES, AND IF YOU GIVE A BOY A WELL DEVELOPED  
BODY HIS BRAIN WILL GET THE BENEFIT OF IT."

— CHRISTY MATHEWSON IN HIS BOOK  
WON IN THE NINTH, WRITTEN IN 1910

The term "student-athlete" signifies something extraordinary on the campus of Bucknell University.

**Being a Bison** means that you have the rare blend of physical skills along with the drive and passion needed to succeed at the highest level of collegiate athletics.

**Being a Bison** also means that you are a scholar first and foremost. You believe that values associated with Division I athletics, such as time management, leadership, teamwork and grace under pressure, are but a part of a well-rounded college experience.

At Bucknell, our students, faculty and staff pride themselves as national leaders in upholding the scholar-athlete ideal that balances a challenging academic program with the demands of successful Division I athletics. **Being a Bison** means that you have pledged to be a student-athlete in the purest sense. In doing so, you will be rewarded for a lifetime.

Sophomore Co-Captain, Mechanical Engineering Major,  
George Hingson

According to federal data released by the NCAA in the fall 2007, Bucknell's student-athlete graduation rate ranked in the top-10 nationally.

## BUCKNELL BISON ATHLETICS

### *Setting the Standard of Excellence*

Bucknell takes great pride in its commitment to excellence on and off the playing fields. From Presidents' Cups to Academic All-Americans to graduation rates that are ranked annually in the national top-10, Bucknell is clearly at the head of the class when it comes to upholding the scholar-athlete ideal.

According to federal data released in the fall of 2006 by the NCAA and reported on by the Associated Press and The Chronicle of Higher Education, Bucknell's four-year student-athlete graduation rate was highest in the nation among student-athletes who entered college between the 1996-97 and 1990-2000 academic years. Bucknell was one of four institutions to graduate at least 90 percent of its student-athletes who enrolled during that four-year period. Bucknell posted a 93-percent rate, followed by Davidson (90 percent), Duke (90 percent) and Georgetown (90 percent).

Bucknell has claimed 110 Patriot League Scholar-Athletes of the Year since the league's inception as an all-sports conference in 1990-91. That is more than twice the next-highest total.

Bucknell student-athletes comprised nearly one-fourth of the Patriot League Academic Honor Roll in 2006-07. A record total of 360 Bison recorded a GPA of 3.2 or better during their sport's competition season. Among all BU student-athletes, 245 made the Dean's List with GPAs of 3.5 or better in the fall of 2006.

26 of Bucknell's 27 varsity squads posted team GPAs of 3.0 or better in the spring of 2007.

In addition to the 114 *ESPN the Magazine* Academic All-Americans produced since 1970, Bucknell has also claimed 240 Academic All-District honorees over the same span, including 20 last year.

With six more Patriot League championships in 2006-07, Bucknell has now earned 65 crowns in 17 years in the league. In addition, Bucknell has had 85 conference players of the year, 76 PL coaches of the year and a whopping 442 individual league champions from sports such as cross country, track & field, swimming & diving, tennis and golf.

Bucknell has captured the Patriot League Presidents' Cup, signifying the league's all-sports champion, 13 times in the 17-year history of the affiliation, including nine of the last 10 years. Bucknell captured the overall, men's and women's Cup standings in 2006-07, when the Bison teams won six Patriot League titles. It was the 10th straight year and the 13th time overall, that the Bison captured the women's title. In 2006-07, Bucknell won titles in men's soccer, women's cross country, women's indoor and outdoor track & field, men's golf and women's rowing. The men's basketball, women's basketball and women's soccer teams also captured Patriot League regular-season titles.

Bucknell ranks FIFTH in the nation (to Nebraska, Notre Dame, Penn State and Stanford) in total number of *ESPN The Magazine* All-America selections.

A major element in ensuring Bucknell's commitment to athletics excellence is the Kenneth G. Langone Athletics & Recreation Center, which opened fully in 2003. One of the finest collegiate athletics facilities of its kind, the center includes the 4,000-seat Sojka Pavilion, the Olympic class Kinney Natatorium, the Krebs Family Fitness Center and the Berger Family Weight Room. A new Hall of Fame area, a display of Bucknell's Medal of Honor recipients, a sports medicine suite, modern offices for coaches and staff, and new locker room and classroom space are also included in the facility's layout.

## *A National Model in Promoting the Scholar-Athlete Ideal.*

Bucknell Athletics is first and foremost a student-centered organization, one that strives to be a national model when it comes to operating by a true scholar-athlete model. At Bucknell, student-athletes' academic programs are their first priority and providing a competitive Division I athletics program only advances the mission, values and residential learning goals of the university. To that end, the Department of Athletics and Recreation proactively seeks ways to assist student-athletes in their daily academic pursuits. Below are just some of the student-athlete support programs currently in place.

**FACULTY ATHLETICS REPRESENTATIVE:** The faculty athletics representative (FAR) is a member of the faculty or administrative staff who is designated to represent Bucknell in its relationships with the NCAA and the Patriot League. Bucknell's FAR is Mitch Chernin, Professor of Biology. The FAR can enhance the student-athlete experience by promoting a balance between academics, athletics and the social lives of student-athletes, which affords them opportunities to enjoy the full range of collegiate experiences available to students generally.

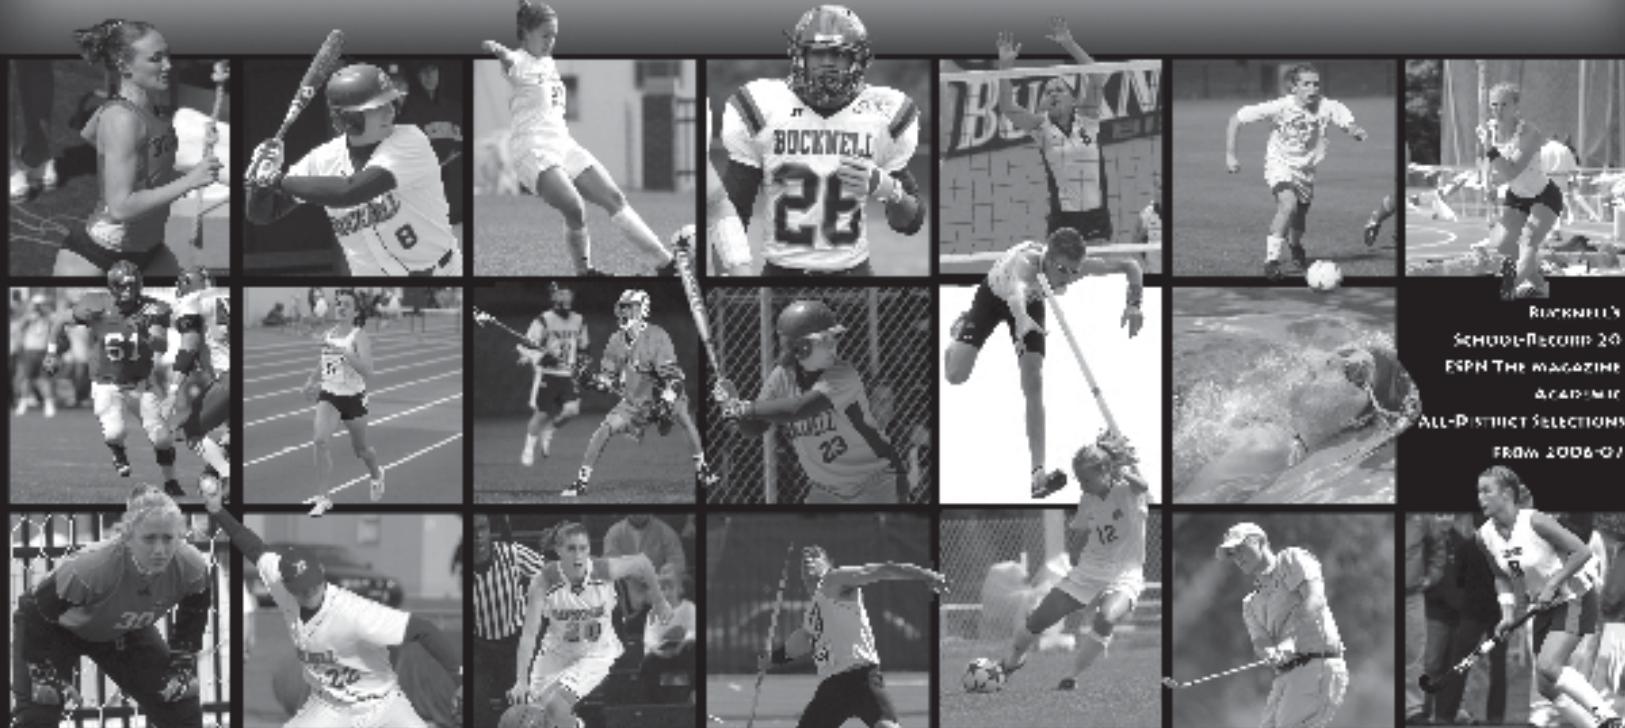

**SIDELINE COACH PROGRAM:** This program is a truly unique initiative in Division I college athletics, and it involves the invitation of a member of the faculty, administration, staff or community by one of Bucknell's 27 varsity teams. The participant has the opportunity to discuss the overall program with the respective coaching staff, including practice preparation and strategy for the upcoming contest. The sideline coach attends a practice session and an actual intercollegiate competition, where he/she is introduced to the team and gains rarely seen insight into the relationships that exist between player-coach and player-player. The purpose of the Sideline Coaches Program is to foster a better understanding by the faculty and administration of the roles played by coaches and athletes in the university's competitive intercollegiate athletic arena.

**ACADEMIC ENHANCEMENT CENTER:** In the Fall of 2005, the Department of Athletics opened a study/computer lab for student-athletes on the concourse level of Sojka Pavilion. The center is outfitted with computers, a laser printer, four television monitors and a projection unit with computer, VCR and DVD player. Additionally, the study lab can be used as a meeting place for group projects, tutorial area or just a secluded and quiet study space before or after practice.

**LAPTOP PROGRAM:** The Department of Athletics owns a number of laptop computers that may be signed out by student-athletes for use on away trips.

**STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC):** Representatives from each varsity team comprise the SAAC, which is designed to enhance the total student-athlete experience by promoting opportunity, protecting student-athletes' welfare, and fostering a positive student-athlete image. The Committee is an invaluable resource for promoting communication between athletics administration and student-athletes; promoting communication between athletics and campus-wide administration; providing feedback and insight, as well as soliciting responses to department issues and proposed NCAA legislation; building a sense of community within the athletics program involving all athletics teams; organizing community service projects and efforts; creating a vehicle for student-athlete representation on campus-wide committees; serving as a collective voice of campus student-athletes; and disseminating information to the student-athlete body.

**OTHER PROGRAMMING:** The Department of Athletics, through the identification of outside speakers and periodic "Brown Bag lunches," thrives to enhance the quality of the student-athlete experience as well as to educate student-athletes in a variety of issues that may affect them throughout their collegiate career. Some recent topics of interest have been alcohol, nutrition, body image, hazing, sexuality, diversity, career development, study skills, religious life and gambling.

### The Faculty: Focused on the students

- 301 full-time faculty
- 97% of faculty members hold doctoral degrees.
- Undergraduate learning is highest priority.
- Faculty members are active scholars who conduct research, produce creative works, and publish their findings, often in collaboration with students.

### Undergraduate Research: Hands-on learning

- Students conduct research in the lab and off campus in conjunction with faculty mentors.
- High degree of independence.
- Great preparation for graduate school and career.

### Campus Life: Never a dull moment

- Learning outside of class: academically oriented student organizations, guest lecturers, campus publications, concerts, art exhibitions, theatre, trips off campus, and more.
- More than 150 student-run organizations to suit nearly every interest, from a capella singing to Zen Buddhist meditation.
- Volunteer and service projects on- and off-campus, including abroad
- 13 fraternities and 6 sororities.
- Diverse religious life programs.
- Athletics: varsity intercollegiate program, club sports for both men and women, and intramural programs.

### Residential Colleges: Housing options with an academic twist

- Six themed programs open to first-year students: arts, environment, global, humanities, social justice, and society and technology.
- Students take a course together, live together, and participate in out-of-class activities such as informal discussions, guest lectures, and off-campus trips.

### Career Services: Preparation for the future

- Full-or part-time internships at companies, non-profits, or governmental agencies.
- Resume writing and interviewing guidance.
- Two-day job shadowing externships.
- On-campus employment expos and off-campus networking nights.

### Visit Campus: See Bucknell for yourself

- Tours are offered five times daily on weekdays and three times on Saturdays.
- No appointment is necessary for tours; other options may require reservations.
- Please go to [www.bucknell.edu/admissions/calendar](http://www.bucknell.edu/admissions/calendar) or call (570) 577-1101 for more information about visit options.

## **THE KENNETH G. LANGONE ATHLETICS AND RECREATION CENTER**

The Bucknell University Department of Athletics and Recreation prides itself on setting the standard of excellence when it comes to success both on the playing fields and in the classroom. With 13 Patriot League Presidents' Cups in 17 years, national leadership in graduation rates, 114 Academic All-Americans in 37 years and 110 Patriot League Scholar-Athletes in 18 years, Bucknell is clearly at the head of the class in terms of upholding the scholar-athlete model.

The addition of the Kenneth G. Langone Athletics and Recreation Center, one of the finest collegiate athletics and recreation venues of its kind, ensures the continuation of that success.

The facility enhances each of Bucknell's 27 varsity programs and greatly expands the scope of its growing intramural and recreational sports offerings. A visually appealing structure located along Moore Avenue on the "downhill" side of campus, the Langone Athletics and Recreation Center was designed to reach out to all members of the campus community, including the student body, varsity student-athletes, faculty, staff and alumni.

Three primary venues lie within the facility: the Arthur D. Kinney Jr. Natatorium, the 4,000-seat Gary A. Sojka Pavilion and the Krebs Family Fitness Center. Other features include a new location for the Bucknell Athletics Hall of Fame, a display of Bucknell's Congressional Medal of Honor recipients, a sports medicine and athletic training suite, classrooms, modern offices for coaches and staff and increased locker room space for varsity and recreational athletes.

The facility is named in honor of Ken Langone, a 1957 Bucknell graduate who, along with his wife, Elaine, pledged \$11 million toward the center's construction. Langone was a member of the university Board of Trustees from 1980 to 1996.

One of the special qualities of the Langone Athletics and Recreation Center is the manner in which it supplements the pre-existing facilities. The brand new construction surrounds Gerhard Fieldhouse and historic Davis Gymnasium, which has been restored as a competition venue for the Bison volleyball and wrestling teams, as well as intramural, recreation and other varsity practice activities.

As Bucknell continues to strive toward its mission of setting the standard of excellence in college athletics, the Langone Athletics and Recreation Center becomes the centerpiece in an already impressive cache of athletics facilities that includes the 13,100-seat Christy Mathewson-Memorial Stadium and its FieldTurf and 8-lane track surface; the scenic Bucknell Golf Club; Depew Field, the home of the Bison baseball team; the spacious West Fields for softball, Varsity Soccer Field and Graham Field, including the new Phase III portion of the West Fields Project.

## 2007-08 SEASON OUTLOOK

Following a successful 2006-07 campaign that saw the Bucknell wrestling squad post a school-record 12 dual-meet wins with an all-freshman roster and send three individuals to the NCAA Championships, the Bison will look to continue the program's resurrection in 2007-08 as head coach Dan Wirnsberger has brought another nationally ranked recruiting class into the fold, his second in two years as the frontman for the Orange and Blue. This group is expected to add to what is already a strong corps of returning sophomores.

**125 – Projected Starter.....***Greg Hart*  
**Keep an eye on.....***José Matos*,

Wirnsberger expects sophomore Greg Hart to once again receive the starting nod at this weight and looks for Hart to be much improved with a year of experience under his belt. Hart went 16-15 overall as a freshman and 11-11 in duals. The Bison will welcome a talented newcomer at this weight, as well, in José Matos. Wirnsberger feels that Matos will challenge Hart for the starting position and projects that this spot could be a battle throughout the season as Matos gains experience.

"I am really looking to get more production out of this weight class as the year unfolds," Wirnsberger explains.

**133 – Starter.....***David Marble*

After an impressive freshman campaign, NCAA qualifier David Marble will start for the Bison at 133 pounds. In 2006-07, he posted a record of 16-6 in duals, 24-13 overall, and took sixth at the EIWA Championships to earn a wild card berth into the NCAA Tournament. In the 2007-08 preseason rankings, Marble was tabbed 15th at his weight by *InterMat* and was selected No. 17 by *Amateur Wrestling News*.

"With his work ethic and year of experience, Marble will undoubtedly contend to be an All-American or NCAA Champion this season," predicts Wirnsberger.

**141 – Projected Starter.....***Zach Galligan or Luke Chohany*  
**Keep an eye on.....***Eric Harris, Jack Conroy*

Due to a large number of potential contenders, this weight class is, according to Wirnsberger, "very up in the air." Sophomores Zach Galligan and Jack Conroy both spent the bulk of 2006-07 in starting roles as freshman, Galligan at 141, and Conroy, who will move down a weight this season, at 149. The duo will also be challenged by returning sophomore Luke Chohany and freshman Eric Harris, who was a three-time all-state selection in high school.

"In order to compete at a high level, we need more production at 141 pounds. We are looking for one of these individuals to step up and perform," Wirnsberger comments.

**149 – Projected Starter.....***Kevin LeValley*  
**Keep an eye on.....***Tyler Riccio*

"Kevin LeValley is a very highly-touted recruit that we are expecting to step up and make an immediate impact on the national level," says Wirnsberger.

LeValley, Bucknell's projected starter at 149, is coming off an impressive high school career that saw him capture four high school state titles in his native Colorado. This past summer, LeValley became a dual-style All-American in Fargo, N.D., which included a Junior National Greco-Roman championship.

**157 – Projected Starter.....***Brantley Hooks*  
**Keep an eye on.....***Chris Bailes, Scott Sechler, Ryan Ochalek*

Brantley Hooks is the returning starter for the Bison at 157 and Wirnsberger looks for him to build off his year of experience as a freshman and perform at a higher level as a sophomore. In 2006-07, Hooks went 16-12 overall and 11-9 in dual meet competition.

Wirnsberger projects that freshmen Chris Bailes, Scott Sechler, and Ryan Ochalek could also see starting time at this weight and believes that the trio will provide much needed depth in the middle weight classes.

"We feel very comfortable with any of these athletes stepping up into this weight class," Wirnsberger states.

**165 – Starter.....***Andy Rendos*  
**Keep an eye on.....***Ryan Ochalek*

Returning NCAA qualifier Andy Rendos will once again start for the Bison at 165. As a freshman, Rendos set a program record for dual meet victories, finishing with a record of 19-2 in duals, while leading the squad with an overall record of 27-6 and taking third at the EIWA Championships to earn a spot in the NCAA Tournament. Heading into 2007-08, Rendos appears in *InterMat* and *Amateur Wrestling News*' preseason rankings as he is No. 15 on both lists.

"We will look for Rendos to move up the ranks as the year progresses and contend for All-America status and an NCAA individual title," says Wirnsberger. "He has progressed well in the off-season and will be looking to make a national statement in the upcoming season."

**174 – Projected Starter.....***Shane Riccio*  
**Keep an eye on.....***Rob Waltko*

Sophomore Shane Riccio is the returning starter at this weight after posting a 12-7 dual-meet record as a freshman and going 17-11 overall.

"Riccio has added size and strength during his off-season training which will benefit him greatly," explains Wirnsberger.

Freshman Rob Waltko enters his collegiate career with substantial high school credentials after winning a PIAA AAA state title as a senior and finishing as the runner-up at his weight as a junior.

"We will go with the best wrestler in the program at this weight," Wirnsberger says.

**184 – Projected Starter.....***David Thompson or Charlie Wonsettler*  
**Keep an eye on.....***Jay Hahn*

Two newcomers will vie for the starting role at 184 for the Bison as Wirnsberger feels that David Thompson and Charlie Wonsettler are the most likely candidates to fill this vacant spot in the lineup. Thompson was a four-time high school state placewinner in Ohio and was a runner-up in freestyle at USA Nationals to earn All-America status. Wonsettler was a two-time placewinner at the PIAA tournament and took fifth as a senior in 2007.

"This weight class has two wrestlers that could step in and perform at a high level for us right away," Wirnsberger projects.

**197 – Projected Starter.....***Sean LoCurto*

Sophomore Sean LoCurto will be stepping into a new role this year as the everyday starter at 197 after seeing limited action as a freshman.

"This is a key weight class for the program, so we will be looking for him to perform well," says Wirnsberger.

**HWT – Projected Starter.....***George Hingson*  
**Keep an eye on.....***Will McCormick*

The returning heavyweight starter for the Orange and Blue is George Hingson, who went 14-12 overall as a freshman in 2006-07 and 11-8 in duals.

"Hingson has put on much needed size and strength to be competitive at this weight class," states Wirnsberger. "We will be looking to him to become a leader and win a lot of matches for us this year."

**DAN WIRNSBERGER**

Head Coach • Michigan State '95  
HC  
Third Season • 12-9-1 (38-31-1 Career)

Dan Wirsberger, who officially became the 15th coach of the Bucknell wrestling program on May 10, 2005, enters his third season at the helm for the Orange and Blue.

In 2006-07, under Wirsberger's direction, the Bison returned to the mat in grand fashion, setting a school record for dual-meet victories in a season by compiling a record of 12-9-1, 3-3-1 in the EIWA, including a 17-16 win over nationally ranked Columbia. At the EIWA tournament, he led the Orange and Blue to a ninth-place finish out of 14 schools and saw three Bucknell grapplers earn bids to the NCAA Championships.

A three-time wrestling All-American at Michigan State University, Wirsberger previously served as the head coach of Bloomsburg University's Division I program from 2002 to 2005. As head coach of the Huskies, Wirsberger qualified 10 student-athletes for the NCAA Tournament, including six in 2005, and he coached the program's first-ever Olympic Trials qualifier. He helped four Bloomsburg wrestlers capture Eastern Wrestling League titles and six win PSAC crowns. Named the 2005 PSAC Coach of the Year after leading the Huskies to the team title for the first time since 1990, Wirsberger's recruiting classes were ranked 14th and 19th, respectively, in 2003 and 2004, while his first two recruiting classes at Bucknell have been ranked 14th and 25th by *Wrestling International Newsmagazine* (W.I.N.).

In 2004-05, Bloomsburg posted a 10-6 dual-meet record (4-2 EWL) and crowned three EWL champions while finishing fifth at the league tournament.

Prior to becoming head coach of the Huskies, Wirsberger spent six years as an assistant coach at Virginia Tech, where he helped coach a team that featured three All-Americans and finished in the top-25 at the NCAA Tournament in 2000 (19th) and 2001 (23rd). The Hokies qualified a school-record five wrestlers for NCAA's in 2000, and the following year the program was invited to compete at the National Team Duals at Penn State.

At both Bloomsburg and Virginia Tech, Wirsberger gained extensive experience in the areas of national recruiting, fundraising and summer camp administration.

A 1995 graduate of Michigan State University with a degree in criminal justice, Wirsberger posted a 35-8 record and was the Big Ten Champion and NCAA runner-up at 158 pounds in 1995. That was his third of three straight All-America plaques, and he earned team Most Valuable Wrestler honors. Overall in his career, Wirsberger compiled a record of 120-44, third most wins in school history. In NCAA competition, he logged 11 wins for the Spartans in three trips to nationals. During his career at Michigan State, the team went from a struggling program to a 12th-place national ranking his sophomore year, 25th his junior year and third in the nation his senior season.

A three-year captain of the Spartans, Wirsberger continued his wrestling career at the Dave Schultz Wrestling Club while training for the 1997 World Team Trials. He qualified for the trials after placing sixth at the USA Senior Freestyle Tournament, his first senior competition. Participating at a higher weight class of 167 pounds, Wirsberger defeated such renowned opponents as two-time NCAA champion Marcus Mollica of Arizona State and Iowa's NCAA champion Darryl Weber.

Wirsberger began his coaching career with the Mason (Mich.) Youth Wrestling Program. He later moved back to his native South Carolina, where he served as head wrestling coach at Greer High School. In addition to his head coaching duties, Wirsberger was the junior varsity football coach and taught classes for autistic students at Greer Middle School.

Wirsberger resides in Lewisburg, Pa., with his wife Dana and their sons, Cade (3) and newborn Max.

Dan Wirsberger's first two recruiting classes as head coach of the Bison have earned national rankings.

AC  
Second Season

Dave Hoffman enters his second season at Bucknell and will take over as Dan Wirsberger's top assistant on the Bison staff this year. Hoffman's promotion comes after he spent his first season with the Orange and Blue coaching the varsity lightweights and helping guide 133-pounder David Marble to an appearance at the NCAA Championships in 2007.

"This is an exciting time for Coach Hoffman and our young Bison wrestling program," said Wirsberger. "Dave takes on a new role this year as top assistant. He already has a year of experience working with our athletes and we will continue the momentum built from last year's success to a new year with new goals. Dave is an excellent recruiter and is a big part of the development process of our student athletes. He has a bright future in this business and I am blessed to have him a part of my staff. His loyalty, work ethic and winning attitude is contagious to the rest of the team."

Hoffman, a Spring City, Pa., native, graduated from Virginia Tech in 2006 where he was a four-time NCAA Championship qualifier and an All-American his senior year. During his career with the Hokies, Hoffman compiled a record of 116-32, including 19 major decisions, five technical falls and 38 falls. He also earned Freshman All-America honors from *Amateur Wrestling News* in 2002.

At The Hill School in Pottstown, Pa., Hoffman was a five-time prep All-American and two-time prep national champion, one of only two wrestlers in school history to achieve All-America status five times. He posted a record of 195-17 in his prep school career.

**DUSTIN MANOTTI**

Assistant Coach • Cornell '06  
AC  
First Season

Dustin Manotti, who was a four-time All-American at Cornell, enters his first season as an assistant coach for the Bucknell wrestling program.

"I am very excited to have Coach Manotti on staff," said head coach Dan Wirsberger. "His wrestling credentials speak for themselves, but more importantly he understands the scholar-athlete ideal. He recognizes the commitment and time management skills needed to be successful at an elite academic institution. Dustin is an excellent communicator and will be able to provide our young athletes with the knowledge and discipline needed to be successful not only on the mat but in the classroom as well. He is very familiar with Bucknell University because of his local ties and will transition well into this position."

Manotti, a native of nearby Mifflinburg, Pa., enjoyed an illustrious wrestling career for the Big Red as he became just the second wrestler in program history to take home All-America honors four times, with his best NCAA finish coming his senior year when he took third at 157 pounds.

In addition, Manotti made his mark on Cornell's record book, graduating as the third-winningest wrestler in program history with 133 career victories and was also ranked 10th in overall winning percentage at .836 (133-26). He was a three-time All-Ivy selection, earning first-team honors in 2005 and second-team recognition in 2003 and 2004. As a freshman in 2003, Manotti was named the Ivy League Rookie of the Year.

While wrestling for Mifflinburg Area High School, Manotti placed three times at the Pennsylvania state tournament, including a runner-up showing as a junior.

Manotti graduated from Cornell in 2006 with a Bachelor of Science in communication. He served as an intern for the National Wrestling Coaches Association (NWCA) during the summer of 2005 and has spent time as a volunteer wrestling coach in the Cortland School District in Cortland, N.Y.

The Eastern Intercollegiate Wrestling Association (EIWA), as it is known today, had its beginning in 1904, when "the wireless and the automobile were still unproven innovations and the airplane merely a curiosity."

Then, students from a number of schools in the East met and proposed the creation of a group whose responsibility it would be to organize intercollegiate wrestling as a formal sport. One year later wrestlers from Columbia, Pennsylvania, Princeton and Yale competed in the first EIWA tournament.

Under the management of J. Edward Weisenfluh, a student at Penn, the first tournament was held April 7, 1905, in the Gymnasium of Weightman Hall on the Penn campus in Philadelphia. At this first meeting the Intercollegiate Wrestling Association was born. Thereafter, three meetings were held each year, once just before the tournament, once just after the meet, and once in October at which a new tourney site was selected.

No team scoring was kept at the first EIWA tournament in 1905. All that was recorded was the total number of bouts won by each wrestler, in the following weight classes: 115, 125, 135, 145, 158, 175 and heavyweight. Based on that system, Yale won, followed in order by Columbia, Princeton and Pennsylvania.

Remaining strictly a student organization for three and one-half decades, the group gradually assumed the name "Eastern" to distinguish itself from the faculty-controlled "Western" Association,

now known as the Big Ten. Ultimately, after the 1939 meet, the students capitulated to faculty control, and the Eastern College Athletic Conference, organized in 1938, has since provided formal structure for the EIWA, which now functions as an allied entity of the ECAC.

"The Easterns" have survived both as the oldest intercollegiate wrestling organization and as a unique athletic event with unusually widespread spectator appeal.

Today, membership in the EIWA numbers 14 schools: American, Army, Brown, Bucknell, Columbia, Cornell, East Stroudsburg, Franklin & Marshall, Harvard, Lehigh, Navy, Penn, Princeton and Rutgers.

**Life After Bucknell**  
According to a Bucknell Career Development Center survey of the Class of 2006, 95.5 percent of the respondents were either employed or attending graduate school six months after graduation. Of Bucknell's 834 graduates in that class, 797 (96 percent) responded to the survey. Of that portion of the class, 69 percent were employed, 22 percent were enrolled in graduate school, four percent were both employed and in graduate school, and 4.5 percent were still seeking employment.

Of those attending graduate school, 25 percent are pursuing degrees in social sciences and the humanities, 15 percent are in law school, 14 percent are pursuing advanced degrees in engineering and seven percent are pursuing advanced degrees in education.

The mean salary for the 2006 graduates responding to the survey was \$45,444 and was highest for engineers. The mean salary for a graduate with a bachelor of science degree in engineering was \$52,915, and the mean salary for a graduate with a bachelor of science degree in business administration was \$50,537. Graduates from the College of Arts and Sciences had a mean salary of \$43,035.

Most 2006 graduates (69 percent) were employed in the Northeast, with Pennsylvania (19 percent), New York City (17 percent) and New Jersey (12 percent) leading the way. Among the most popular employers of Bucknell graduates were firms such as Accenture, AC Nielsen Bases, AmeriCorps, Bank of New York, Deloitte, Ernst & Young, General Electric, Goldman Sachs, JP Morgan Chase, Johnson & Johnson, KPMG, Lockheed Martin, Merrill Lynch, Northrop Grumman, Peace Corps, Catlin Arsenal, PriceWaterhouseCoopers, SEI, Teach for America, The Vanguard Group, Turner Construction, UBS and Whiting-Turner Contracting Co.

A total of 44 percent of the class respondents secured employment through Bucknell on-campus interviews, Career Development Center leads, networking or offers from former employees.

## THE HISTORY OF BUCKNELL WRESTLING

Wrestling at Bucknell dates back to 1944, when World War II servicemen stationed at Bucknell introduced a wrestling program. The sport gained varsity intercollegiate status in 1947 and joined the Middle Atlantic Conference a year later.

Coach Herb Maack's fledgling squad did not win a dual meet over those first two seasons, but the groundwork was laid for a successful wrestling future at Bucknell. The Bison posted its first winning season (4-2) in 1949, finishing fourth in the MAC. In its most successful six-year period in program history from 1958 to 1963, the Bison went 36-8-3, including undefeated seasons in both 1958 (7-0) and 1962 (9-0). The 1962 squad, co-captained by Bill Graham, finished third in the MAC.

Bucknell had many outstanding wrestlers in its early days, including MAC champions Jim Mullins (1947), Tom Fusia (1949), Bart Cappellini (1953), Dave Murdock (1958) and John Ayre (1959). But it wasn't until lightweight dynamo Tom Scotton came along in 1974-75 that Bucknell wrestling hit the national radar screen.

Scotton went 16-0 as a freshman and was featured in Sports Illustrated's "Faces in the Crowd." An illness kept him out of post-season action that season, but Scotton came back as a sophomore and won his first of three straight East Coast Conference titles. The 126/134-pounder won his first 41 career matches before finally suffering a loss at the 1976 NCAA Championships. Scotton, a Bucknell Athletics Hall of Famer, finished his career 55-0-1 in dual matches and 89-4-1 overall. All four losses came at the NCAA Championships.

Bucknell captured its first-ever conference team championship in 1986-87. Led by NCAA quarterfinalist Ed Curran and fellow ECC Champions Kevin Bullis and Mike Bomberger, the Bison saw eight wrestlers place in the top four of their weight classes and easily outdistanced host Rider.

Bucknell Wrestling - 1944-45

Tom Marchetti, then only a sophomore, became Bucknell's first wrestling All-American when he finished fourth at 167 pounds at the 1990 NCAA Championships. A year later, Bucknell's first as a member of the East Coast Wrestling Association, 190-pounder Bryan Burns repeated the feat and joined Marchetti as the first Bucknell grapplers to win 30 matches in a season. Marchetti was the first Bison to eclipse the 100-victory mark and finished his outstanding career with 106 wins.

The only other Bison wrestler to win more matches than Marchetti was Bobby Ferraro, a local product from Lewisburg Area High School and the son of head coach Bob Ferraro. The younger Ferraro won 118 matches in his terrific career and is Bucknell's only two-time All-American. He won four straight ECWA titles from 1992-95. Ferraro, a 2004 Bucknell Athletics Hall of Fame inductee, placed eighth at the NCAA Championships at 177 pounds in 1994 and seventh in the same division as a graduate student in 1995.

Ferraro also led the Bison to its only other conference team championship in 1995. Jason Prokopchik and Steve Caruso joined Ferraro in the winner's circle, making that threesome Bucknell's most recent conference champions.

All told, Bucknell has claimed 49 individual league champions in its 66-year history.

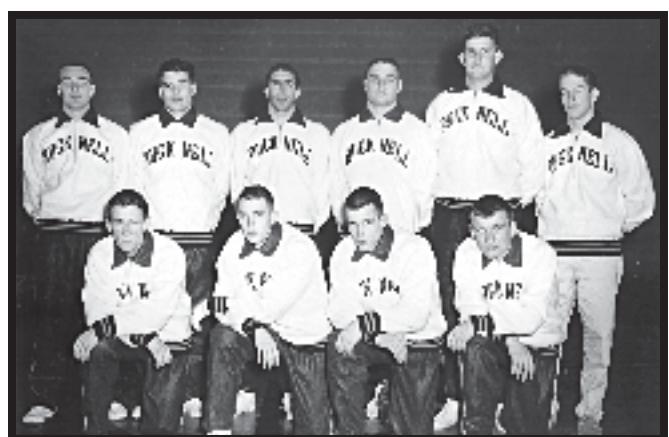

The Bucknell wrestling program competed for three seasons in the Eastern Intercollegiate Wrestling Association before the university reclassified the sport as club-varsity following the 2001-02 campaign.

Then, thanks to the generosity of Bill Graham, Bucknell announced in May 2004 that wrestling would return to varsity status for the 2005-06 season. In the summer of 2005, Dan Wirsberger was introduced as head coach of the Bison wrestling squad and the team's application to rejoin the EIWA was accepted.

## BUCKNELL ATHLETICS HALL OF FAME

*The Bucknell Athletics Hall of Fame was established in 1979 to honor the very best in the history of Bison athletics. Four former wrestlers are among the 199 outstanding student-athletes, coaches, administrators and friends of Bucknell whose contributions to Bucknell athletics are forever preserved in the Hall of Fame.*

**Ed Curran ('88)** - Ed Curran was a three-time East Coast Conference wrestling champion during his time as a member of the Bison. Hall of Famer Tom Scotton is the only other Bucknell wrestler to make that claim. He qualified for the NCAA Tournament three times and was a quarter-finalist in 1986. As a senior, Curran posted a 23-4 record at 134 pounds, and he finished with an impressive career record of 71-20-1, which was then the second-highest victory total at Bucknell. He was the Outstanding Wrestler at both the Bloomsburg Invitational and Cornell Invitational in 1987. Curran was just as successful off the wrestling mat, where he made the Dean's List every semester, won the prestigious University Prize for Men and was a Second Team Academic All-American. He also earned the ECAC Medallion and graduated *magna cum laude*. Entered Hall of Fame with the Class of 2005.

**Bobby Ferraro ('94)** - A first-ballot Hall of Fame choice and Bucknell's only two-time wrestling All-American, Bobby Ferraro graduated with an impressive 118-21-1 career mat record and four East Coast Wrestling Association gold medals. He became just the third grappler in school history to earn All-America honors with an eighth-place finish in the 177-pound class at the NCAA Championships during his senior season, and then he repeated the distinction with a seventh-place finish as a graduate student in 1995. Ferraro finished 31-8 in 1994, falling just one victory shy of the school record, and he tied a 37-year-old school mark by recording pins in five straight matches. With a 30-6 record in 1995, Ferraro broke the school career victory record and finished second all-time with 44 falls. In becoming just the second man to win four ECWA titles, Ferraro in 1995 also helped the Bison to their second-ever team championship. He was the ECWA Championships Outstanding Wrestler in 1992 and never lost a conference bout. A two-time team captain, he won the Christy Mathewson Award as Bucknell's top senior athlete. Entered Hall of Fame with the Class of 2004.

**Richard P. Kaufmann ('68)** - A three-year letterman in football and wrestling, Richard P. Kaufmann captained the 1967 football team and was co-captain of the wrestling team as a junior and senior. Kaufmann's career dual match wrestling record was 17-12-2, and as a senior he won Bucknell's Outstanding Multiple Sport Athlete Award and the Christy Mathewson Award as the outstanding athlete in the senior class. He began his football career at Bucknell as a fullback, but was moved to defensive end at the beginning of his junior year. He was twice named to the All-Pennsylvania second team and All-Middle Atlantic Conference first team at the new position. The top accounting student in his Bucknell class and a *cum laude* graduate, Kaufmann received an MBA from Harvard and later returned to the ministry. He served as executive pastor of Redeemer Presbyterian Church in New York City and previously served as pastor of New Life Presbyterian Church in Escondido, Calif. Entered Hall of Fame with the Class of 1996.

**Thomas M. Scotton ('78)** - Named All-East by *National Mat News* in 1978 and selected Bucknell's outstanding wrestler four times, Scotton never lost a dual collegiate match on his way to three ECC championships and appearances at the NCAA Championships and holds several Bison mat records. Twice co-captain, he had a career record of 89-4-1. Entered Hall of Fame with the Class of 1983.

# The Plan for Bucknell/Mission Statement

## THE PLAN FOR BUCKNELL

Bucknell is a unique national university where liberal arts and professional programs complement each other, where 3,400 full-time students are educated for a lifetime of critical thinking and strong leadership. For more than 160 years, the University has remained true to its fundamental purpose: to educate and prepare students for lives that make a difference and have a positive impact on the world.

In keeping with that purpose, the University has developed ***The Plan for Bucknell***, which includes its collective vision — “To provide students with the premier undergraduate experience in American higher education.” Students helped shape this vision because of their confidence in the University.

***The Plan*** comprises five strategies:

**Strengthen the Academic Core** aims to ensure that a Bucknell education is challenging and engaging, with openness to new ideas and a culture of innovation;

**Deepen the Residential Learning Experience** will provide a residential learning and living experience that complements the academic program, integrates the athletics and recreation program and promotes personal growth and development and civic and ethical responsibility;

**Enhance Diversity** is a commitment to diversity in all its forms within a civil and supportive environment of open exchange to prepare Bucknell graduates to live and work in a globally integrated and intercultural world;

**Build Bridges** will bring the world to Bucknell — through visiting scholars and sports teams, international students and alumni, guest speakers, international focus semesters, and electronic communications — and bring Bucknell to the world through strategic partnerships and community engagement activities as well as opportunities for off-campus study and faculty research;

**Secure Our Financial Future** will secure resources necessary to engage new opportunities, lessen dependence on tuition, and ensure our financial future.

***The Plan for Bucknell*** was unanimously approved by the Board of Trustees on April 29, 2006, having previously been approved by the students and faculty. We have begun implementing it and are determined to make it a reality over the next decade. ## ATHLETICS MISSION STATEMENT

The Department of Athletics and Recreation strives to set the standard of excellence for intercollegiate and intramural programs in higher education, thereby advancing and drawing attention to the mission, core values, and educational goals of Bucknell University.

The Department believes that student-athletes' academic programs must be their first priority. It is therefore committed to maintaining Bucknell's high national ranking for student-athletes' graduation rates and for producing Academic All-Americans, and to continued leadership of the Patriot League in Academic Honor Roll nominations, based on grade-point averages. The coaches' and staff's paramount responsibility is maintaining academic priorities and supporting student-athletes' education, even while providing the rigorous and serious NCAA Division I athletic opportunities Bucknell student-athletes seek.

Further, the Department promotes the personal growth of student-athletes and the general student body by encouraging personal health, development, and balance among intellectual, social, civic, and physical pursuits; by celebrating challenge and competition; and by preparing participants for service and leadership in the world. Coaches and staff direct a rich array of athletic programs and recreational opportunities aimed at increasing student engagement, as well as strengthening character, healthy living, teamwork, sportsmanship, and spirit. In creating shared experiences for students, faculty, and staff, as well as alumni, family, and friends, the Department's programs add substantially to Bucknell's sense of community and foster life-long relationships with Bucknell.

The Department embraces the University's decision to compete at the highest extramural level, in Division I of the National Collegiate Athletic Association (NCAA). Division I membership is valuable not only because this level of competition maximally challenges student-athletes, but also because it signals clearly Bucknell's high standards and seriousness of purpose in all extracurricular endeavors and it helps position Bucknell apart from other National Liberal Arts Colleges. Likewise, the competitive success the Department seeks, measured in part by consistent contention for the Patriot League's student-athletes and the University alike, and it brings distinction and national recognition to Bucknell.

A student-centered operation, the Department is committed to providing equitable opportunities to women and men, as well as members of minority and majority groups of all kinds. The Department subscribes to, and complies with, all principles and regulations of the Patriot League, the Eastern College Athletic Conference, and the NCAA.

The department is proud that so many of today's exemplary Bison scholar-athletes will be tomorrow's outstanding leaders.

## BISON GOOD SPORTS

In 2006, the Bucknell Department of Athletics and Recreation announced its new “Bison Good Sports!” campaign, a sportsmanship awareness program designed to promote appropriate fan conduct at all Bison sporting events.

The objective of the campaign, according to Bucknell director of athletics and recreation John Hardt “is to thank fans for the tremendous energy and enthusiasm they bring to each Bucknell athletics contest while also empowering them as caretakers of the collegiate gameday experience. While the extremes of unwanted behavior and its impact on home and visiting fans are not commonplace at Bison athletics events, Bucknell and our visiting teams ask for our fans' help in keeping their support of our teams positive and cheer with positive encouragement, rather than supporting an atmosphere of intimidation that attempts to degrade opposing players and teams. We hope that our fans will continue to join our players, coaches and staff in helping all spectators find creative and ingenious ways to positively support our Bucknell student-athletes.”

## THE ABC'S OF THE RECRUITING PROCESS

### ADMISSIONS & APPLICATIONS

You can reach our Admissions Office by calling 570-577-1101. To receive an application, please call our admissions office or send a written request to: Bucknell Admissions Office, Freas Hall, Bucknell University, Lewisburg, PA 17837.

### CALENDAR

A typical recruiting calendar for a prospective student-athlete interested in wrestling would go something like this:

- \*\* **Summer 2008** — Make unofficial visits to schools of interest.
- \*\* **September 2008** — Contact head coach Dan Wirnsberger if Bucknell falls within your top-five list of potential colleges. Send a letter expressing interest in the wrestling program. It would be helpful to include a transcript and any videotape you may have available. Also, the student-athlete should be registered with the NCAA Clearinghouse. See your high school athletics director or guidance counselor for information.
- \*\* **October 2008** — Head coach Dan Wirnsberger will be in contact regarding the student-athlete's interest and possible visit date. The student-athlete and family should file CSS Financial Aid Profile Form. See your college guidance counselor for information.
- \*\* **November 15, 2008** — Deadline for Admissions Early Decision I and Financial Aid applications for Early Decision I candidates.

### CLEARINGHOUSE

The NCAA mandates that all student-athletes interested in competing at the Division I or II level must be certified through the NCAA Initial Eligibility Clearinghouse. Contact high school coaches, athletics director and/or guidance counselor for necessary paperwork.

### CONTACTS

As per NCAA by-law 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contact days per prospective student-athlete.

### CORRESPONDENCE

It is important that the prospective student-athlete get in touch with head coach Dan Wirnsberger as soon as possible. A simple letter of inquiry into the wrestling program or an email to [djw020@bucknell.edu](mailto:djw020@bucknell.edu) will initiate the recruiting process. In the spring of your junior year or early senior year is the most appropriate time to contact coach Wirnsberger.

### EARLY DECISION

Students who are absolutely, 100% confident Bucknell is their top college choice are encouraged to apply during the Early Decision process. Advantages are that you'll have an Admissions decision prior to Christmas and all students accepted during the early decision process are guaranteed financial aid for which they qualify.

### EVALUATIONS

As per NCAA by-law 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any site. We are limited in our number of evaluations per prospective student-athlete.

### FINANCIAL AID

Bucknell University does not offer athletic scholarships in the sport of wrestling. All financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS "Profile Form" in the early Fall.

### INTERVIEWS

Head coach Dan Wirnsberger encourages all prospective student-athletes to arrange for an on-campus interview with the Admissions Office. If it is not possible to interview on campus, alumni interviews are highly recommended. All interviews should be arranged through the Admissions Office by calling 570-577-1101.

### TELEPHONE CALLS

As per NCAA by-law 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. However, the prospect may call the wrestling office at any time. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

### VISITS, Official

According to NCAA by-law 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus, or an ACT test taken on a national testing date under national testing conditions. The official visit may not exceed 48 hours.

### VISITS, Unofficial

According to NCAA by-law 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

If a prospective student-athlete and/or parent has any questions, please feel free to call head coach Dan Wirnsberger at 570-577-1035 and/or visit the Recruiting and Compliance links on Bucknell's athletic website, [www.BucknellBison.com](http://www.BucknellBison.com). Also, please feel free to forward any correspondence you feel will be helpful in coach Wirnsberger's assessment of a prospective student-athlete.

## The William A. Graham IV Varsity Wrestling Room

On Dec. 2, 2006, the Bucknell wrestling squad celebrated a festive day that began with the dedication of the William A. Graham IV Varsity Wrestling Room by collecting victories over Princeton and Binghamton by the scores of 46-0 and 27-8, respectively. The day began with several dozen Bucknell wrestling alumni and other dignitaries, including President Brian C. Mitchell, celebrating the dedication of the wrestling practice facility in a ceremony in the McGee Room in Sojka Pavilion prior to the Bucknell versus Northern Iowa men's basketball game. Bill Graham played a pivotal role in bringing back Bison wrestling as his generous donation helped Bucknell return the program to varsity status in addition to providing funding for Bison women's athletics.
