★ Bucknell Department of Athletics Mission Statement ★

The Department of Athletics and Recreation strives to set the standard of excellence for intercollegiate and intramural programs in higher education, thereby advancing and drawing attention to the mission, core values, and educational goals of Bucknell University.

The Department believes that student-athletes' academic programs must be their first priority. It is therefore committed to maintaining Bucknell's high national ranking for student-athletes' graduation rates and for producing Academic All-Americans, and to continued leadership of the Patriot League in Academic Honor Roll nominations, based on grade-point averages. The coaches' and staff's paramount responsibility is maintaining academic priorities and supporting student-athletes' education, even while providing the rigorous and serious NCAA Division I athletic opportunities Bucknell student-athletes seek.

Further, the Department promotes the personal growth of student-athletes and the general student body by encouraging personal health, development, and balance among intellectual, social, civic, and physical pursuits; by celebrating challenge and competition; and by preparing participants for service and leadership in the world. Coaches and staff direct a rich array of athletic programs and recreational opportunities aimed at increasing student engagement, as well as strengthening character, healthy living, teamwork, sportsmanship, and spirit. In creating shared experiences for students, faculty, and staff, as well as alumni, family, and friends, the Department's programs add substantially to Bucknell's sense of community and foster life-long relationships with Bucknell.

The Department embraces the University's decision to compete at the highest extramural level, in Division I of the National Collegiate Athletic Association (NCAA). Division I membership is valuable not only because this level of competition maximally challenges student-athletes, but also because it signals clearly Bucknell's high standards and seriousness of purpose in all extracurricular endeavors and it helps position Bucknell apart from other National Liberal Arts Colleges. Likewise, the competitive success the Department seeks, measured in part by consistent contention for the Patriot League's student-athletes and the University alike, and it brings distinction and national recognition to Bucknell.

A student-centered operation, the Department is committed to providing equitable opportunities to women and men, as well as members of minority and majority groups of all kinds. The Department subscribes to, and complies with, all principles and regulations of the Patriot League, the Eastern College Athletic Conference, and the NCAA.

The department is proud that so many of today's exemplary Bison scholar-athletes will be tomorrow's outstanding leaders.

WHAT IT MEANS TO BE A BISON

"BEING A BISON TO ME STEMS FROM THE DEFINITION ITSELF. A BISON IS PART OF A HERD, UNABLE TO FUNCTION WITHOUT IT. HOWEVER, A BISON ALSO REPRESENTS THE HERD BY DISPLAYING DEDICATION, DETERMINATION, COMMITMENT, AND LEADERSHIP. A BISON IS A MODEL TOWARDS WHICH OTHERS SHOULD WANT TO CONVERGE, WHILE MAINTAINING THEIR INDIVIDUAL ATTRIBUTES. ABOVE ALL, BEING A BISON PROMOTES A SENSE OF PRIDE, WHICH ADVERSITY AND CHALLENGE CANNOT SUPPRESS."

— SENIOR BEVERLY ROGERS
2007 USTFCCA ALL-ACADEMIC SELECTION

"BEING A BUCKNELL BISON MEANS REPRESENTING THE PREMIERE ATHLETIC PROGRAM AT BUCKNELL UNIVERSITY, LEARNING IMPORTANT LIFE LESSONS THROUGH SPORT AND ACTIVELY CONTRIBUTING TO MY TEAM ON BOTH A PATRIOT LEAGUE AND NATIONAL LEVEL. BUT LET'S BE REAL, BEING A BUCKNELL BISON IS ABOUT BLEEDING ORANGE AND BLUE!"

— SENIOR DAVID MANTE
2007 PATRIOT LEAGUE INDOOR TRACK & FIELD
SCHOLAR ATHLETE OF THE YEAR

The term "student-athlete" signifies something extraordinary on the campus of Bucknell University.

Being a Bison means that you have the rare blend of physical skills along with the drive and passion needed to succeed at the highest level of collegiate athletics.

Being a Bison also means that you are a scholar first and foremost. You believe that values associated with Division I athletics, such as time management, leadership, teamwork and grace under pressure, are but a part of a well-rounded college experience.

At Bucknell, our students, faculty and staff pride themselves as national leaders in upholding the scholar-athlete ideal that balances a challenging academic program with the demands of successful Division I athletics.

Being a Bison means that you have pledged to be a student-athlete in the purest sense. In doing so, you will be rewarded for a lifetime.

BUCKNELL BISON ATHLETICS

Setting the Standard of Excellence

Bucknell takes great pride in its commitment to excellence on and off the playing fields. From Presidents' Cups to Academic All-Americans to graduation rates that are ranked annually in the national top-10, Bucknell is clearly at the head of the class when it comes to upholding the scholar-athlete ideal.

According to federal data released in the fall of 2006 by the NCAA and reported on by the Associated Press and The Chronicle of Higher Education, Bucknell's four-year student-athlete graduation rate was highest in the nation among student-athletes who entered college between the 1996-97 and 1990-2000 academic years. Bucknell was one of four institutions to graduate at least 90 percent of its student-athletes who enrolled during that four-year period. Bucknell posted a 93-percent rate, followed by Davidson (90 percent), Duke (90 percent) and Georgetown (90 percent).

Bucknell has claimed 108 Patriot League Scholar-Athletes of the Year since the league's inception as an all-sports conference in 1990-91. That is more than twice the next-highest total.

Bucknell student-athletes comprised nearly one-fourth of the Patriot League Academic Honor Roll in 2006-07. A record total of 360 Bison recorded a GPA of 3.2 or better during their sport's competition season. Among all BU student-athletes, 245 made the Dean's List with GPAs of 3.5 or better in the fall of 2006.

26 of Bucknell's 27 varsity squads posted team GPAs of 3.0 or better in the spring of 2007.

In addition to the 114 *ESPN the Magazine* Academic All-Americans produced since 1970, Bucknell has also claimed 240 Academic All-District honorees over the same span, including 20 last year.

With six more Patriot League championships in 2006-07, Bucknell has now earned 65 crowns in 17 years in the league. In addition, Bucknell has had 85 conference players of the year, 76 PL coaches of the year and a whopping 442 individual league champions from sports such as cross country, track & field, swimming & diving, tennis and golf.

Bucknell has captured the Patriot League Presidents' Cup, signifying the league's all-sports champion, 13 times in the 17-year history of the affiliation, including nine of the last 10 years. Bucknell captured the overall, men's and women's Cup standings in 2006-07, when the Bison teams won six Patriot League titles. It was the 10th straight year and the 13th time overall, that the Bison captured the women's title. In 2006-07, Bucknell won titles in men's soccer, women's cross country, women's indoor and outdoor track & field, men's golf and women's rowing. The men's basketball, women's basketball and women's soccer teams also captured Patriot League regular-season titles.

Bucknell ranks FIFTH in the nation (to Nebraska, Notre Dame, Penn State and Stanford) in total number of *ESPN The Magazine* All-America selections.

A major element in ensuring Bucknell's commitment to athletics excellence is the Kenneth G. Langone Athletics & Recreation Center, which opened fully in 2003. One of the finest collegiate athletics facilities of its kind, the center includes the 4,000-seat Sojka Pavilion, the Olympic class Kinney Natatorium, the Krebs Family Fitness Center and the Berger Family Weight Room. A new Hall of Fame area, a display of Bucknell's Medal of Honor recipients, a sports medicine suite, modern offices for coaches and staff, and new locker room and classroom space are also included in the facility's layout.

BUCKNELL BISON ATHLETICS

A National Model in Promoting the Scholar-Athlete Ideal

Bucknell Athletics is first and foremost a student-centered organization, one that strives to be a national model when it comes to operating by a true scholar-athlete model. At Bucknell, student-athletes' academic programs are their first priority, and providing a competitive Division I athletics program only advances the mission, values and residential learning goals of the university. To that end, the Department of Athletics and Recreation proactively seeks ways to assist student-athletes in their daily academic pursuits. Below are just some of the student-athlete support programs currently in place.

FACULTY ATHLETICS REPRESENTATIVE: The faculty athletics representative (FAR) is a member of the faculty or administrative staff who is designated to represent Bucknell in its relationships with the NCAA and the Patriot League. Bucknell's FAR is Mitch Chernin, Professor of Biology. The FAR can enhance the student-athlete experience by promoting a balance between academics, athletics and the social lives of student-athletes, which affords them opportunities to enjoy the full range of collegiate experiences available to students generally.

SIDELINE COACH PROGRAM: This program is a truly unique initiative in Division I college athletics, and it involves the invitation of a member of the faculty, administration, staff or community by one of Bucknell's 27 varsity teams. The participant has the opportunity to discuss the overall program with the respective coaching staff, including practice preparation and strategy for the upcoming contest. The sideline coach attends a practice session and an actual intercollegiate competition, where he/she is introduced to the team and gains rarely seen insight into the relationships that exist between player-coach and player-player. The purpose of the Sideline Coaches Program is to foster a better understanding by the faculty and administration of the roles played by coaches and athletes in the university's competitive intercollegiate athletic arena.

ACADEMIC ENHANCEMENT CENTER: In the Fall of 2005, the Department of Athletics opened a study/computer lab for student-athletes on the concourse level of Sojka Pavilion. The center is outfitted with computers, a laser printer, four television monitors and a projection unit with computer, VCR and DVD player. Additionally, the study lab can be used as a meeting place for group projects, tutorial area or just a secluded and quiet study space before or after practice.

LAPTOP PROGRAM: The Department of Athletics owns a number of laptop computers that may be signed out by student-athletes for use on away trips.

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC): Representatives from each varsity team comprise the SAAC, which is designed to enhance the total student-athlete experience by promoting opportunity, protecting student-athlete welfare, and fostering a positive student-athlete image. The Committee is an invaluable resource for promoting communication between athletics administration and student-athletes; promoting communication between athletics and campus-wide administration; providing feedback and insight as well as soliciting responses into department issues and proposed NCAA legislation; building a sense of community within the athletics program involving all athletics teams; organizing community service projects and efforts; creating a vehicle for student-athlete representation on campus-wide committees; serving as a collective voice of campus student-athletes; and disseminating information to the student-athlete body.

OTHER PROGRAMMING: The Department of Athletics, through the identification of outside speakers and periodic "Brown Bag Luncheons," strives to enhance the quality of the student-athlete experience as well as to educate student-athletes on a variety of issues that may affect them throughout their collegiate career. Some recent topics of interest have been alcohol, nutrition, body image, hazing, sexuality, diversity, career development, study skills, religious life and gambling.

✦ The Kenneth G. Langone Athletics and Recreation Center ✦

The Bucknell University Department of Athletics and Recreation prides itself on setting the standard of excellence when it comes to success both on the playing fields and in the classroom. With 13 Patriot League Presidents' Cups in 17 years, national leadership in graduation rates, 114 Academic All-Americans in 37 years and 108 Patriot League Scholar-Athletes in 17 years, Bucknell is clearly at the head of the class in terms of upholding the scholar-athlete model.

The addition of the Kenneth G. Langone Athletics and Recreation Center, one of the finest collegiate athletics and recreation venues of its kind, ensures the continuation of that success.

The facility enhances each of Bucknell's 27 varsity programs and greatly expands the scope of its growing intramural and recreational sports offerings. A visually appealing structure located along Moore Avenue on the "downhill" side of campus, the Langone Athletics and Recreation Center was designed to reach out to all members of the campus community, including the student body, varsity student-athletes, faculty, staff and alumni.

Three primary venues lie within the facility: the Arthur D. Kinney Jr. Natatorium, the 4,000-seat Gary A. Sojka Pavilion and the Krebs Family Fitness Center. Other features include a new location for the Bucknell Athletics Hall of Fame, a display of Bucknell's Congressional Medal of Honor recipients, a sports medicine and athletic training suite, classrooms, modern offices for coaches and staff and increased locker room space for varsity and recreational athletes.

The facility is named in honor of Ken Langone, a 1957 Bucknell graduate who, along with his wife, Elaine, pledged \$11 million toward the center's construction. Langone was a member of the university Board of Trustees from 1980 to 1996.

One of the special qualities of the Langone Athletics and Recreation Center is the manner in which it supplements the pre-existing facilities. The brand new construction surrounds Gerhard Fieldhouse and historic Davis Gymnasium, which has been restored as a competition venue for the Bison volleyball and wrestling teams, as well as intramural, recreation and other varsity practice activities.

As Bucknell continues to strive toward its mission of setting the standard of excellence in college athletics, the Langone Athletics and Recreation Center becomes the centerpiece in an already impressive cache of athletics facilities that includes the 13,100-seat Christy Mathewson-Memorial Stadium and its FieldTurf and 8-lane track surface; the scenic Bucknell Golf Club; Depew Field, the home of the Bison baseball team; the spacious West Fields for softball, Varsity Soccer Field and Graham Field, including the new Phase III portion of the West Fields Project.

✦ The Patriot League ✦

In its second decade of combining academic and athletic excellence, the Patriot League sponsors 23 sports – 11 for men and 12 for women. Initially started as a NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham and Georgetown as associate members in football. These institutions are among the oldest and most prestigious in the nation and their alumni have, and continue to play leadership roles in shaping our country.

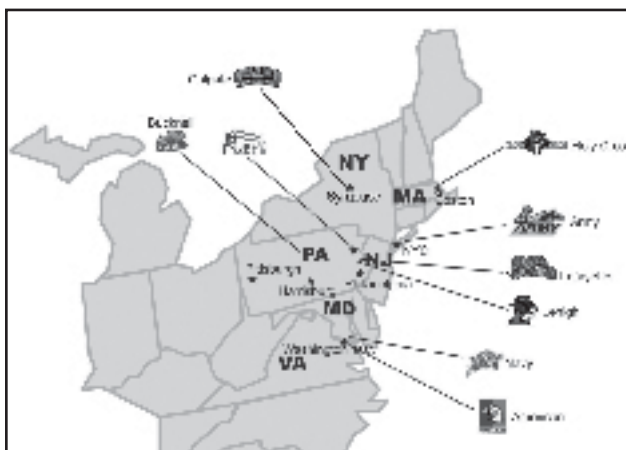

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Success Rate report. In addition, the Patriot League finished as one of the nation's leaders in the NCAA Academic Progress Report (APR) among all Division I conferences awarding athletic aid. The APR is used to measure academic eligibility, retention and graduation of student-athletes.

Patriot League student-athletes and teams continue to enjoy success at the national level, with opening round victories coming in several NCAA Championships, including wins in men's basketball during the 2005 and 2006 seasons, a championship game appearance in both football and men's lacrosse, and a sixth-place individual finish at the NCAA Cross Country Championship.

The Patriot League's mission is simple, to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

During the 2006-07 year, Patriot League student-athletes and teams have accomplished the following:

Kevin Donner
..... Head Coach
..... Seventh Season
..... University of Detroit '84

Kevin Donner, head coach of the men's and women's cross country and track and field teams at Bucknell, continued the success last year that has earned him 13 Patriot League Coach of the Year awards.

For a second season in a row, Donner's squad captured the women's Patriot League triple crown in 2006-07, taking the cross country, indoor and outdoor track and field titles. An individual Patriot League cross country champion in Leanna Nastase, seven individual champions and one relay champion indoors as well as five individual and one championship relay outdoors helped the Bison women to a total of 41 All-Patriot League honors over the three seasons. Donner was named Patriot League Coach of the Year in all three seasons, as well.

On the men's side in 2006-07, Donner and his staff guided the squads to their best showings in several years with third-place team finishes in cross country and indoor track and field and a runner-up performance outdoors.

Under Donner's direction, the Bison men captured six individual titles indoors and five outdoors in 2006-07, garnering 17 all-league accolades throughout the year.

Beyond the Patriot League, Donner coached the cross country squads to a top-five finish for the women and a top-15 showing for the men at the NCAA Mid-Atlantic Regional meet last season, sending two individuals to the NCAA Championships, Nastase and Matthew Forsys.

During the track and field indoor season, four members of the men's squad captured five All-East honors, including an individual IC4A title for Forsys in the 3,000. The women took home four All-East accolades with Marjorie Grap claiming the title in the weight throw as both the men's and women's teams finished in the top-10 at IC4As/ECACs for the first time in school history.

Outdoors, Tyler Hoffman and Joshua Kaehler were named All-East in the hammer and javelin, respectively, and competed at the NCAA Regionals along with David Mante and Forsys, who advanced to the NCAA Championship in the steeplechase. On the women's side, Grap was an All-East performer in the hammer and the discus, Nastase earned All-East honors in the 10,000 and Offeibea Hanson-Hall, Erin Cranmer-Hart, Allison Janda and Christa Sawko were All-East recipients as a part of Bucknell's 4x800 relay squad. Grap qualified for the NCAA Regional in both the hammer and the discus while Sawko (800), Christine Totten (steeplechase), Amy Mantush (high jump) and Melanie Buczko (pole vault) qualified for the

regional as well.

Before arriving at Bucknell in 2001, Donner, a native of Detroit, Mich., and a 1984 graduate of the University of Detroit, successfully transformed the Saint Francis (Pa.) program into one of the elite squads in the Northeast Conference. It was a banner campaign in 2000-01 for the Red Flash men's teams, as Saint Francis captured its second straight NEC cross country title, followed by indoor and outdoor track and field titles as well. The cross country unit placed third at the Mid-Atlantic Regional and vaulted to a Division I national ranking of 26th.

Donner also guided the Red Flash women to an NEC cross country title in 1997 and the men's and women's cross country teams to All-Academic Team honors in five consecutive seasons. He was cited as the conference coach of the year in cross country and track and field seven times, and in 2000, he was honored as the top men's cross country mentor in the Mid-Atlantic Region. All 81 men's and women's indoor and outdoor track and field school records were shattered under Donner's watch.

Among the stellar individual achievements by his Red Flash student-athletes were a cross country All-American, 40 men's and women's NEC titles, 27 all-conference performers, nine U.S. Junior National qualifiers, two Canadian National qualifiers and six CoSIDA Academic All-Americans.

Prior to his stint at Saint Francis, Donner served as assistant women's cross country and track and field coach at Central Michigan University from 1993-95. There, Donner coached eight All-Mid-American Conference performers and one NCAA qualifier.

Following his graduation from Detroit, Donner established a new varsity program at his alma mater, becoming the school's first-ever women's coach. He served a nine-year stint at Detroit, where he coached 20 All-Midwestern Collegiate Conference student-athletes and guided the women's cross-country program to back-to-back MCC titles in 1986 and 1987.

A member of the NCAA Division I Coaches Associations for cross country and track and field, Donner took over the reins of a Bucknell program that has listed among the elite in the East for the better part of two decades. Bucknell's women's cross country team has captured six of the past nine Patriot League titles, while the men's team won three straight championships from 1990-92 and again from 1997-99. Similarly successful on the track, the Bison women have earned eight of the last nine Patriot League outdoor titles and nine of the last 10 indoor championships. All told, the Bucknell men's and women's indoor and outdoor track and field squads have captured 24 Patriot League championships in 17 years.

Donner will continue to be charged with adding to Bucknell's academic tradition. As head coach, Donner assisted 112 athletes to Patriot League Academic Honor Roll accolades in 2007-08.

Donner owns USATF level I and II coaching certifications in endurance and throws. He currently resides in Lewisburg with his wife Amy, a statistics and mathematics instructor at Bucknell, and their one-year-old daughter, Jillianne.

★ Men's Cross Country Preview ★

Coming off a third-place finish at the 2006 Patriot League Championships, the Bucknell men's cross country team will look to build on this improvement and continue making positive strides in 2007.

"Last year we made a giant step finishing third in the Patriot League after finishing fifth the previous two years," said head coach Kevin Donner. That being said, he also asserts that "the Patriot League is very strong this year with American returning a lot of runners from the team that went to the National Championships last year."

In addition to American, Donner sees Navy, Army, and Lehigh as strong teams that will pose a

challenge for the men this season.

Senior Wallace Campbell (Montgomery, Ala.) will lead the Bison in 2007.

"Wallace was our No. 2 runner last year and was named All-Patriot League," said Donner. "He looks very strong this year and had a great outdoor track season. We hope that he can contend for a Patriot League individual title as well as a berth at the NCAA National Championships."

Donner notes that Bucknell is returning a number of solid runners. Among those returning are senior Andrew Corral (Bellport, N.Y.), senior Michael Gibney (Wading River, N.Y.), junior Clinton Orloski (Butler, Pa.) and junior Donald Sanner (Meyersdale, Pa.).

"Corral, Gibney, Orloski, and Sanner were consistent varsity runners for our last year and all four are ready to step up this year and improve," said Donner.

Other promising returning runners for the Bison are senior William Holleran (San Rafael, Calif.) and sophomore Andrew Huebner (Hampton Falls, N.H.).

According to Donner, "William Holleran is another guy who had a really nice spring, running some good 5,000-meter races for us and we hope he is ready to step up. We also have a sophomore, Andrew Huebner, who really came on well as a freshman last year and had an outstanding summer. He is going to be near our top-five."

Donner will also look to sophomore Conor McNamara (Baldwin, N.Y.) and sophomore Baron Willeford (New Orleans, La.) for depth this season. These are two runners that have improved over the summer and will only look to continue this development throughout the season.

The Bucknell men's cross country team is set to start the 2007 season at home in the Bison Open on Friday, Aug. 31. The squad will then travel to Bloomsburg, Pa., on Saturday, Sept. 8 for the Bloomsburg Invitational and then to Altoona, Pa., on Saturday, Sept. 22 for the Juniata Invitational. Also on Sept. 22, the Bison will have runners compete in the Western Ontario Invitational in London, Ontario.

To close out the regular season, Bucknell will compete at the Paul Short Invitational in Bethlehem, Pa., on Friday, Sept. 28 and at the Leopard Invitational in Easton, Pa., on Saturday, Oct. 13.

The 2007 Patriot League Championships are set to take place on Saturday, Oct. 27 in Easton, Pa., and this year's Mid-Atlantic Regional Championships will be hosted by Lehigh University on Saturday, Nov. 10. The IC4A Championships are set for Saturday, Nov. 17 in Bronx, N.Y., and the NCAA Championships will take place in Terre Haute, Ind. on Monday, Nov. 19.

"Our goal is to be top-three in the Patriot League," said Donner. "American seems to be the heavily favored team with Navy and Bucknell as the dark horses. If we can stay healthy and can step it up a notch I would like to say that we can contend for a Patriot League Championship. Our goal is always to finish in the top-10 at the NCAA Regional Championships and we feel as though we have the type of team that can do that this year."

Women's Cross Country Preview

The Bucknell women's cross country team is eager to defend its 2006 Patriot League Championship title. For the 2007 season, the Bison welcome promising newcomers and return experienced upperclassmen, including four all-league runners from last year.

Leading the way is senior Erin Cranmer-Hart (Slippery Rock, Pa.), who was the runner-up at the Patriot League Championships last year, earning First Team All-Patriot League honors. Cranmer-Hart finished behind Leanna Nastase '07, at the 2006 league championship meet. This season, she is the top returning runner in the Patriot League.

"I believe Erin not only has an opportunity to win a Patriot League Championship, but she

also has an opportunity to qualify for the NCAA Championships," said head coach Kevin Donner. "She has really improved a lot throughout her career and I believe she is in a position now where she can make a run for it."

In addition to Cranmer-Hart, senior Christine Totten (Perkasie, Pa.), junior Nicole Falcato (Dingmans Ferry, Pa.) and junior Gillian Nordquist (Clarkston, Mich.) make up the group of all-league runners returning for the Bison in 2007.

"Totten, Falcato, and Nordquist are three athletes who have worked extremely hard the last few years and all three of them are really ready to step up for us. We expect them to do well at the Patriot League Championships, but also at the NCAA Mid-Atlantic Regional Championships," said Donner.

In terms of depth, the Bison will look to senior Jennifer Grant (Erie, Pa.), junior Kim Hasset (Falmouth, Maine), senior Offeibe Hanson-Hall (New Rochelle, N.Y.), and sophomore Gabrielle Skovira (Park Ridge, N.J.) to build on their strong showings last season.

According to Donner, Grant has been a consistent runner the past three seasons and Hasset has shown improvement throughout her career, now looking ready to step up as an upperclassman.

"Offeibe Hanson-Hall really established herself as one of our top middle distance runners this past outdoor track season and we are hoping that will carry over to cross country," said Donner. "Gabrielle Skovira proved to be one of our top freshmen last year and ended up scoring in the steeplechase at the Patriot League Championships during the outdoor track and field season."

Freshmen Alexa Griffiths (Tamaqua, Pa.) and Sarah Moniz (Topsfield, Mass.) are two promising newcomers to the squad. In preseason training, Griffiths and Moniz seem to be the most refined of their class and are expected to provide depth throughout the season, according to Donner.

The Bucknell women's cross country team is set to begin the 2007 season at home on Friday, Aug. 31 in the Bison Open. The squad will then travel to Bloomsburg, Pa., on Saturday, Sept. 8 for the Bloomsburg Invitational and then to Altoona, Pa., on Saturday, Sept. 22 for the Juniata Invitational. Also on Sept. 22, the Bison will have runners compete in the Western Ontario Invitational in London, Ontario.

To close out the regular season, Bucknell will compete at the Paul Short Invitational in Bethlehem, Pa., on Friday, September 28 and at the Leopard Invitational in Easton, Pa., on Saturday, Oct. 13.

The 2007 Patriot League Championships are set to take place on Saturday, Oct. 27 in Easton, Pa., and this year's Mid-Atlantic Regional Championships will be hosted by Lehigh University on Saturday, Nov. 10.

"Our goal is to repeat as Patriot League champions and we would love to finish top-five at the NCAA Mid-Atlantic Regional meet," said Donner.

He feels that although solid runners graduated from last year's squad, this year's team is good enough to match the first-place Patriot League finish and the fifth-place NCAA Mid-Atlantic Regional finish by Bucknell last season.

In addition to this goal, Donner hopes that some runners will look toward the NCAA Championships. The 2007 ECAC Championships are set to take place on Saturday, Nov. 17 in Bronx, N.Y., and the NCAA Championships will be run Monday, Nov. 19 in Terre Haute, Ind.

The Bucknell men's track and field team is coming off a third-place Patriot League finish indoors and a second-place league finish outdoors last season. Returning top scorers in each event and bringing in an incoming class with fresh new talent, the men's team looks to build on the success from last season and keep on developing.

"Last year was one of the greatest years in school history for our men's track and field program," said head coach Kevin Donner. "Although we did graduate some of our outstanding competitors, I feel that the foundation has been laid to make a nice run for a Patriot League title. We have some great athletes in each event area as we continue to run a full-dimensional program."

Sprints..... Junior Kerry Boyle will lead the sprinters. He was the Patriot League indoor champion last season in the 200-meter dash (22.22) and the 400 (48.36). At the outdoor championships, he set a school record of 21.24 in the preliminaries for the 200. Additionally, Boyle qualified for the IC4A Championships for the indoor 200, 400, 500, and the outdoor 400.

To handle the short sprints (100 and 200), the Bison will look to senior Matthew Johnson. Johnson is also a valuable member of the Bucknell 4x100 relay team. Sophomore Gregory Baxter returns as a solid 400 runner. He was a member of the 4x400 relay team that ran at the outdoor IC4A Championships.

One newcomer that Donner feels will make an impact this season is freshman Guy Castranova. In high school, he ran the 400 in under 49 seconds.

Hurdles..... Junior Kevin MacLeod was the highest scorer for the Bison in the hurdle events last year. He was the 2007 outdoor Patriot League Champion in the 400 hurdles, with the second-fastest time in program history (52.60), and the 110 hurdles (14.74). Additionally, MacLeod was an outdoor IC4A qualifier in the 110 and 400 hurdles and an NCAA Regional qualifier in the 400 hurdles. Indoors, he qualified for the IC4A Championships in the 60 hurdles and was a valuable member of the 4x100 and 4x400 relay teams.

Another strong hurdler for the Bison will be sophomore Andrew Yehl. Last season, Yehl scored in the outdoor high hurdles and ran the 110 high hurdles at the IC4A Championships after qualifying with a personal-best time of 14:84 in the prelims at the Patriot League Championships.

Mid-Distance..... Senior Brian Mooney returns as an IC4A qualifier in the indoor 800 (1:54.28) and 1,000 (2:29.45) last season. He scored for the Bison at the Patriot League Championships in the 800 and was a valuable member of the Bucknell 4x400 and 4x800 relay teams.

Donner will look to sophomore Kyle Ramer to build on his outstanding freshman year, as he was an IC4A-qualifying 4x800 relay team member last season. Sophomore Clement Gyan is an athlete who will look to make an impact this season as Donner noticed his development toward the end of outdoor season last year, as a member of Bucknell's 4x800 and 4x400 relay teams.

Distance..... Senior Wallace Campbell returns as the Patriot League runner-up for the outdoor 10,000 from last season. He scored in the 3,000 (8:32.41; sixth) and the 5,000 (14:38.68; third) at the indoor Patriot League Championships last season and was an IC4A qualifier in the mile, 3,000 and 5,000 indoors. Outdoors, he qualified for the IC4A Championships in the 5,000 and 10,000.

Two years ago, senior Andrew Corral was a Patriot League scorer for Bucknell in the 3,000 steeplechase and last season, competed in the steeplechase and the 5,000 at the league meet.

Additionally, Donner notices that sophomore Andrew Huebner developed nicely last season and he will look to Huebner to step up for the Bison in the 3,000 steeplechase, 5,000, and the mile. Junior Clinton Orloski is another athlete that Donner feels has become one of Bucknell's better cross country runners, and he expects this development to carry over for Orloski in the 3,000, 5,000, and 10,000 this season.

Jumps..... Sophomore Kyle Anthony will lead the Bison in jumps, as last year's indoor Patriot League triple jump champion (49-7 ¾) and the runner-up for the indoor long jump (23-0 ¾) indoors. Anthony also scored at the IC4A Championships and made All-East in both the long jump and the triple jump, taking third in the long jump (23-4 ¾). He was an IC4A qualifier in long jump and triple jump outdoors as well.

Senior Mike Contino scored both indoors (21-2 ½; 12th) and outdoors (21-3 ¾; seventh) in the long jump for the Bison as a sophomore, and senior Ryan Robinson also returns as a consistent Patriot League scorer for Bucknell in the high jump. The Bison will welcome freshman Nicholas Hrush, who posted a 6-8 jump in high school.

Pole Vault..... The Bison return the defending indoor (15-3) and outdoor (16-0 ¾) Patriot League Champion in the pole vault in senior David Mante. Mante made All-East and placed eighth at the IC4A Championships indoors, with the fourth-best height in school history (15-5). He was also an NCAA Regional qualifier last season.

Donner will look for freshman Drew Fitzgerald to make an impact in the pole vault this season. The newcomer went over 15 feet in high school.

Multi..... In the multi events, the Bison return two athletes who scored at the Patriot League Championships last season. Sophomore Ryan White placed second in the decathlon outdoors (6,234) and fourth in the heptathlon (4,419) indoors. Sophomore Thomas Vogler placed fourth (5,904) in the decathlon outdoors and Donner expects great things from Vogler this season as he has noticed tremendous improvement.

Throws..... Senior James Meyer took third in the weight throw with the seventh-best throw in program history (55-7 ¾) at last year's indoor Patriot League Championships. He was an IC4A qualifier and scored for the Bison in the hammer throw (166-8; sixth) at the outdoor Patriot League Championships.

Donner notes sophomore Tim Medlock as an athlete who has made improvements in the shot put and was able to score at the outdoor championships last season. In addition, sophomore Stephen Pierce was an NCAA Regional and IC4A qualifier in javelin last season, but was hurt before the championship meets. Donner hope to have Pierce back by the time outdoor season begins.

Incoming freshman Zachary Shapiro joins the Bison after throwing over 58 feet in high school. Donner feels that Shapiro is one of the top shot putters he has brought into the program.

The Bucknell women's track and field team will look to defend its title as indoor and outdoor Patriot League champions as it returns top performers from last season and welcoming young talent to the program.

"This year's team has a great opportunity to create its own identity and to continue the tradition of excellence that our program expects," says head coach Kevin Donner. "Although we did graduate a lot of great athletes, we still return many that will develop and put us in a great position to contend for some more championships."

Sprints / Hurdles.....

Junior Megan Hathaway returns for the Bison as a top runner in the long sprints, the 400 and 500 meters. Last season, she was a Patriot League indoor scorer in 500, placing second with the seventh-fastest time in school history (1:16.46). Hathaway was also a member of Bucknell's ECAC-qualifying 4x400 team for both the indoor and outdoor seasons.

Another consistent sprinter for the Bison will be junior Jenny Dalzell. Dalzell also runs the long sprints and scored in the 500 at the 2006 indoor Patriot League Championships, finishing fourth in 1:17.37. She was a valuable member of the Bison 4x400 relay team that qualified for the ECAC Championships, both indoors and outdoors.

Sophomore Kalle James-Wintjen fought injuries last season, but when healthy she proved to be one of the squad's top sprinters in the 100, 200, and 400, and will look to make strides this season. In addition, sophomore Stephanie Evans is another returning short sprinter in the 100 and 200. She was a member of Bucknell's outdoor 4x100 relay team that placed fifth in 48.90 at last year's Patriot League Championships.

In the high hurdle events, Donner sees freshman Rachel Shapelow as one to make an impact in her first year as a Bison.

Mid Distance.....

The mid-distance events have traditionally been a strong area for the Bucknell women's team. Senior Offeibea Hanson-Hall returns after a third-place Patriot League finish in the 1,000 indoors and a fourth-place finish in the 800 outdoors (2:13.08). Her outdoor time in the 800 at the 2007 Patriot League Championships is the eighth-fastest time in school history.

Senior Victoria Gilbert placed third in the 800 (2:15.96) at last year's indoor Patriot League Championships. Her indoor 800 time is the 10th-fastest time in Bucknell history. Gilbert was a member of the Patriot League champion 4x800 indoors and ran as part of the outdoor 4x800 relay team that made All-East at the ECAC Championships with the fourth-fastest time in program history (8:57.80).

Donner notes that sophomore Allison Janda came into her own last outdoor season, notching a sixth-place finish in the 800 at the 2007 Patriot League Championships. She was also a member of the outdoor 4x800 relay team that made All-East at the ECAC with the third-fastest time in program history (8:57.00).

Graduate student Mariel Fink returns for the 2007 indoor season and looks to be competitive in the 500 and 800. She ran for the Bucknell 4x800 team that won the 2006 Patriot League Championships indoors.

Distance.....

Bucknell's top cross country runners will lead the squad in the distance events. Senior Erin Cranmer-Hart returns as last year's Patriot League champion in the indoor mile and the runner up in the indoor 1,000. She was also the Patriot League runner-up in the outdoor 1,500 and made All-East for the indoor mile, placing fourth at the ECAC Championships.

Senior Christine Totten was last year's Patriot League champion in the outdoor 3,000-meter steeplechase (11:05.17), posting the third-fastest time in school history. Totten was also an ECAC and NCAA Regional qualifier last season.

Additionally, the Bison return junior Gillian Nordquist, who scored in the 10,000 at the 38:10.21 at the outdoor 2007 Patriot League Championships. Junior Nicole Falcaro was also a Patriot League scorer in the indoor 3,000 and the 5,000.

Jumps.....

Sophomore Amy Mantush will lead the Bison in jumps this season. Last year, she was the Patriot League champion in the high jump for both indoors (5-8; the school record in the event) and outdoors. She also was a Patriot League outdoor scorer in the triple jump and in the long jump. She was an NCAA Regional and ECAC qualifier in the high jump. In addition, Mantush placed third in the pentathlon (3,351), for the fifth-best finish in program history.

A long jumper, 400 runner, and member of the 4x400 relay team, sophomore Jennifer Pierce is a versatile athlete that can make an impact for the Bison in both the jumps and sprints in the 400 or 500 indoors.

Also returning for Bucknell are junior Kati Dempsey and senior Nicole Ayala. Two years ago, Dempsey was the Patriot League champion in the high jump and was named Patriot League Rookie of the Year, while Ayala scored in the triple jump both indoors and outdoors.

The Bison welcome two freshmen who have posted over 18 feet in the long jump, Alyssa Maier and Casey Krause. Maier also posted over 37 feet in the triple jump.

Pole Vault.....

In the pole vault, Bucknell returns a Patriot League scorer in senior Ashley Curry, who placed third at last year's outdoor league championship.

Additionally, Donner feels that the Bison welcome one of the best high school pole vaulters in the state of Pennsylvania, with freshman Rebecca Frey joining the squad. Frey recorded a personal-best height of 12-6 in high school.

Throws.....

Bucknell's top javelin thrower, senior Beverly Rogers was the Patriot League runner-up last season (154-3), setting the school record. She was also an ECAC and NCAA Regional qualifier in the event.

Both seniors Amanda Mockbee and Kathleen Hart are consistent for the Bison in the discus, hammer, and weight throw. Mockbee was an ECAC qualifier in the discus and hammer (164-9) last season. Her mark in the hammer throw is the fifth-best in program history. Hart was also an ECAC qualifier in discus last season, and placed second outdoors for the discus at the Patriot League Championships, with the fourth-farthest throw in school history (148-5).

Donner sees sophomore Chelsey Musante, a Patriot League scorer in the hammer throw and shot put last season, as one to develop and be even stronger this year. In addition, he notes that this season the Bison welcome the Pennsylvania AAA state javelin champion, freshman Laura Rycek.

✦ Men's Cross Country Year-by-Year Results ✦

Over the past 37 years, the Bison men's cross country team has been Bucknell's most successful program on the national level. The Bison won 18 straight conference titles between 1975-92, and have appeared as a team in the NCAA Championships in nine of the last 29 years. The Bison had one of the most impressive winning streaks in all of collegiate sports snapped in 1990, when Connecticut handed Bucknell a dual-meet defeat. That halted a string of 167 consecutive dual-meet victories spanning 16 seasons. Since that loss to the Huskies, the Bison have gone 93-4 in dual-meet competition.

Women's Cross Country Year-by-Year Results

Over the past 31 years, the Bison women's cross country team has been one of Bucknell's most successful programs. Bucknell's women dominated their time in the East Coast Conference, winning the conference title in each of the eight years they participated in the league. After adjusting to the higher level of competition within the Patriot League, the Bison have come nearly full circle, from fifth place in 1991 to league champion in six of the past nine seasons. The women made their first-ever team appearance in the NCAA's in 2000, finishing 24th in the nation.

A Bison Legend

Legendary Bucknell cross country and track and field coach Art Gulden passed away in May of 2001. Gulden was at the helm of the Bucknell cross country and track and field programs for 31 years. Gulden led Bucknell to 68 conference titles and was named the Patriot League Coach-of-the-Year 20 times in the 11 years he coached in the conference.

He sent men's teams to the NCAA Championships nine times in the last 21 years of his career and also saw the women receive an at-large selection to the NCAA meet in 1999 for the first time in school history.

He served in many positions in the world of cross country and track and field including stints as the president of the IC4A Cross Country and Track and Field Coaches Association and the U.S. Cross Country Coaches Association.

A 1964 graduate of Rutgers University, Gulden received his master's degree at Rutgers a year later. He served as a lieutenant in the U.S. Army for two years, then returned to Rutgers for three years before coming to Bucknell to begin his illustrious career with the Orange and Blue.

Christy Mathewson-Memorial Stadium

Christy Mathewson-Memorial Stadium, Bucknell's outdoor facility, has been almost completely refurbished in the last 20 years. In 1988, the horseshoe edifice was totally resurfaced and new seating was added. New concession stands, rest rooms, ticket booths and souvenir stands were added a year later, along with an eight-lane, all-weather track. The most recent upgrades include new lights, which feature a nearly 10-fold increase in candle power, and a new FieldTurf playing surface. Encircling the football field is an eight-lane Rekortan Track, originally laid in 1989 and replaced in 2002.

Surface: Eight-lane Rekortan Track/Synthetic Field Turf

Renovated: 1988, 1989, 2001, 2002

✦ The ABC's of the Recruiting Process ✦

ADMISSIONS & APPLICATIONS

You can reach our Admissions Office by calling (570) 577-1101. To receive an application, please call our admissions office or send a written request to: Bucknell Admissions Office, Freas Hall, Bucknell University, Lewisburg, PA 17837.

CALENDAR

A typical recruiting calendar for a prospective student-athlete interested in cross country or track and field would go something like this:

- ** Summer 2008** — Make unofficial visits to schools of interest.
- ** September 2008** — Contact head coach Kevin Donner if Bucknell falls within your top five list of potential colleges. Send a letter expressing interest in the cross country/track & field program. It would be helpful to include a transcript and any videotape you may have available. Also, the student-athlete should be registered with the NCAA Clearinghouse. See your high school athletics director or guidance counselor for information.
- ** October 2008** — Coach Donner will be in contact regarding the student-athlete's interest and possible visit date. The student-athlete and family should file CSS Financial Aid Profile Form. See your college guidance counselor for information.
- ** November 15, 2008** — Deadline for Admissions and Financial Aid for Early Decision I.
- ** Late December, 2008** — Target date for Admissions letters to go out for Early Decision I candidates.
- ** January 1, 2009** — Deadline for Admissions and Financial Aid for Regular Decision and Early Decision II.
- ** Late January, 2009** — Target date for Admissions decision letters to go out for Early Decision II candidates.
- ** Late March, 2009** — Target date for Admissions decision letters to go out for Regular Decision candidates.
- ** Mid-April, 2009** — Target date for open house weekend for all accepted applicants.
- ** May 1, 2009** — Deadline for securing spot in class of 2013 with deposit.

CLEARINGHOUSE

Before making an official visit, the NCAA mandates that all student-athletes interested in competing at the Division I or II level be certified through the NCAA Initial Eligibility Clearinghouse. Contact high school coaches, athletics director and/or guidance counselor for necessary paperwork.

CONTACTS

As per NCAA by-law 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contact days per prospective student-athlete.

CORRESPONDENCE

It's important that the prospective student-athlete get in touch with coach Donner as soon as possible. A simple letter of inquiry into the cross country/track & field program will initiate the recruiting process. In the spring of your junior year or early senior year is the most appropriate time to contact coach Donner.

ADMISSIONS DEADLINES

November 15, 2008 — Early Decision I Application and Financial Aid deadline

January 1, 2009 — Early Decision II and Regular Decision Application and Financial Aid deadline

EARLY DECISION

Students who are absolutely, 100% confident Bucknell is their top college choice are encouraged to apply during the Early Decision process. Advantages are that you'll have an Admissions decision prior to Christmas and all students accepted during the early decision process are guaranteed financial aid for which they qualify.

EVALUATIONS

As per NCAA by-law 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any site. We are limited in our number of evaluations per prospective student-athlete.

FINANCIAL AID

Bucknell University does not offer athletic scholarships in the sports of cross country and track and field. All financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS "Profile Form" in the early Fall.

INTERVIEWS

Coach Donner strongly encourages all prospective student-athletes to arrange for an on-campus interview with the Admissions Office. If it is not possible to interview on campus, alumni interviews are highly recommended. All interviews should be arranged through the Admissions Office by calling (570) 577-1101.

TELEPHONE CALLS

As per NCAA by-law 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

VIDEO TAPES

In an attempt to make an accurate assessment early in the process, it is recommended videotapes be forwarded to head coach Donner's attention as soon as possible. The video need not be an elaborate production. Some simple meet or practice tape is sufficient.

VISITS, Official

According to NCAA by-law 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus, or an ACT test taken on a national testing date under national testing conditions. The official visit may not exceed 48 hours.

VISITS, Unofficial

According to NCAA by-law 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

If a prospective student-athlete and/or parent has any questions, please feel free to call head coach Kevin Donner at (570) 577-1482 and/or visit the Recruiting and Compliance links on Bucknell's athletic website, www.BucknellBison.com. Best times to reach coach Donner are between the hours of 9 a.m. and 3 p.m. Monday-Friday, and between 8 p.m. and 10 p.m. Monday thru Thursday. Also, please feel free to forward any correspondence you feel will be helpful in the coaching staff's assessment of a prospective student-athlete.

✦ The Plan For Bucknell ✦

Bucknell is a unique national university where liberal arts and professional programs complement each other, where 3,400 full-time students are educated for a lifetime of critical thinking and strong leadership. For more than 160 years, the University has remained true to its fundamental purpose: to educate and prepare students for lives that make a difference and have a positive impact on the world.

In keeping with that purpose, the University has developed **The Plan for Bucknell**, which includes its collective vision — "To provide students with the premier undergraduate experience in American higher education." Students helped shape this vision because of their confidence in the University.

The Plan comprises five strategies:

Strengthen the Academic Core aims to ensure that a Bucknell education is challenging and engaging, with openness to new ideas and a culture of innovation;

Deepen the Residential Learning Experience will provide a residential learning and living experience that complements the academic program, integrates the athletics and recreation program and promotes personal growth and development and civic and ethical responsibility;

Enhance Diversity is a commitment to diversity in all its forms within a civil and supportive environment of open exchange to prepare Bucknell graduates to live and work in a globally integrated and intercultural world;

Build Bridges will bring the world to Bucknell — through visiting scholars and sports teams, international students and alumni, guest speakers, international focus semesters, and electronic communications — and bring Bucknell to the world through strategic partnerships and community engagement activities as well as opportunities for off-campus study and faculty research;

Secure Our Financial Future will secure resources necessary to engage new opportunities, lessen dependence on tuition, and ensure our financial future.

The Plan for Bucknell was unanimously approved by the Board of Trustees on April 29, 2006, having previously been approved by the students and faculty. We have begun implementing it and are determined to make it a reality over the next decade. To read the complete version of **The Plan for Bucknell** or to request a published version, see <http://www.bucknell.edu/ThePlanforBucknell>

✦ Bison Good Sports ✦

In 2006, the Bucknell Department of Athletics and Recreation announced its new "Bison Good Sports!" campaign, a sportsmanship awareness program designed to promote appropriate fan conduct at all Bison sporting events.

The objective of the campaign, according to Bucknell director of athletics and recreation John Hardt "is to thank fans for the tremendous energy and enthusiasm they bring to each Bucknell athletics contest while also empowering them as caretakers of the collegiate gameday experience. While the extremes of unwanted behavior and its impact on home and visiting fans are not commonplace at Bison athletics events, Bucknell and our visiting teams ask for our fans' help in keeping their support of our teams positive and cheer with positive encouragement, rather than supporting an atmosphere of intimidation that attempts to degrade opposing players and teams. We hope that our fans will continue to join our players, coaches and staff in helping all spectators find creative and ingenious ways to positively support our Bucknell student-athletes."
